Parents/Guardians,

Lastly, please send \$15 cash or check(made out to CASH only). This money will go to my classroom ink supply. Color ink is very expensive and I use it constantly to create games, print pictures of your children, and to fill the pages in their portfolios. I DO NOT use this ink for my own personal reasons it is for classroom use ONLY. Please, send this money along with the rest of the class supplies.

Thank you,  
Ms. Tiffany and Ms. Kelly
