NOTE- Extra supplies will be collected and passed out as needed to your child. After Christmas I will let you know if your child is in need of more supplies. Also, when labeling your child's things, please print their first and last name NEATLY, especially on notebooks and folders and do so at the top of both. DO NOT LET YOUR CHILD WRITE HIS OR HER NAME ON THE FOLDERS OR NOTEBOOKS. I GREATLY appreciate your help with this!! Thank you, Mrs. Julie Langlois

\*\*All supplies must be brought to school the night of parent orientation. I need to be able to separate their supplies and give them what they need to use on their 1<sup>st</sup> day back.
