These regulations are a material condition of the contractual agreement between FRA and any and all students/parents of this school. In developing the rules and policies for FRA, we have tried to be as explicit as possible, but we are aware that during the school year new and unusual situations will arise. The principal has the authority to use his discretion in unforeseen circumstances.

Introduction

Mission Statement

False River Academy is devoted to providing experiences that are academically challenging and personally enriching, thereby enabling students to continue in their personal growth and self-improvement.

F – Forever Providing Challenging and Enriching Experiences

R – Reaching Academic Excellence

A – Achievement in Personal Growth and Self-Improvement

Alma Mater

*We raise our song with loyal hearts
To you our Alma Mater.*

*Maroon and gold, your colors bold,
Awaken pride and praise.*

*Your noble birth,
Your purpose will keep us ever true.
False River Academy
We honor you.*

Philosophy

We agree that the purpose of education is to help the student develop his own individual potential within the framework of a democratic society. We believe, therefore, that it is the responsibility of the school “to select and transmit to its students the most significant and useful elements of our intellectual, moral, social and aesthetic heritage, and to foster the individual’s ability to live happily, effectively, and creatively.”

The teaching of values and ideals is important. Students are taught reverence for a Supreme Being, respect for authority, self-discipline, responsibility, the value of work, and appreciation of beauty. These values will enrich life and lead to the development of character.

We are ever alert for needed changes in curricula, theory, or methods of teaching. The curricula is designed to give students training for a vocation or preparation for further education. Constant self-analysis and constructive criticism are needed if we are to keep pace with a rapidly changing society. Moreover, we contend that curriculum should challenge the student to future pursuits of knowledge beyond the formal school experience.

We shall dedicate our work and direct our efforts towards this philosophy. Understanding the myriad of demands placed upon us by society today, we acknowledge the task of our profession and assume responsibility for its realization. False River Academy must continue to guide students to develop into the kind of individuals that incorporate philosophy thus expressed.

Step 1: The parent schedules a conference to discuss a concern with the respective teacher.

Step 2: If unable to resolve the concern with the teacher, he/she requests a meeting with the division administrator and/or principal.

Step 3: Should the matter remain unresolved, the parent may request the Board to consider placing it on the agenda for the next board meeting **by putting in writing** a detailed description of the problem and giving it to the principal or a board member. The teacher and principal will be present at the meeting.

*Above meetings will be held at mutually agreed upon times with the appropriate parties present.

Business

Debts include, but are not limited to such things as lost/damaged textbooks, library books, unpaid lunch fees, tuition, etc. Parents will be notified in writing of the fees owed to the school. JPAMS access is denied to families and students who have outstanding debt. The False River Academy School Board authorizes the school to withhold grades and report cards of students owing a debt. Students may also be excluded from participation in field trips and special activities. In the case of a student transferring to another school, all financial obligations shall be met before the withdrawal is completed and records are sent to the new school. Students are responsible for all books whether lost, stolen, or damaged. Students are encouraged to cover all textbooks. Students may not take exams until all fees are paid and books are returned or paid for. If an account is 60 days in default, a letter will be sent home advising you have 15 days to bring the account current. The account must remain current for the remainder of the contract. If a second default occurs, the student will be dismissed from FRA.

Donations

The school community works to cultivate, sustain, and coordinate support for False River Academy through service, gifts, and other contributions. Donations are vital to sustaining the unique learning environment of FRA. Memorial or honorary gifts occupy an important place in the spirit and tradition of our school. We appreciate any gift that you choose to make. Interested donors or volunteers can contact the office at (225) 638-3783.

Fire Drills and Emergency Evacuation

A diagram is posted in each classroom showing the route students take in case of emergency. At the sound of the alarm, students are expected to exit in an orderly manner and move to the designated assembly area. Fire drills and emergency evacuation drills are held several times during the school year in compliance with state law.

JPAMS / JCAMPUS

Parents, teachers and school administrators track student progress using the JPAMS online software system by EdGear. JPAMS software features include but are not limited to records for attendance, demographic information, discipline, grades, and scheduling. The JPAMS Parent Command Center link is located on the school website: www.falseriveracademy.org. Parents can login and create an account with a username and password. Faculty members have an assigned username and password which grants access to their students only. JCALL will replace our One Call system and will notify you if your child is late, left early, or is absent each day. This is for our students' safety.

Medication

Under the expressed opinion of the student's physician via the form titled False River Academy Physician Order, a student may carry and administer his/her own medications, such as an asthma inhaler, epinephrine, or insulin. (This is not intended to include OTC medications such as Tylenol, cough/cold preparations, or other prescribed medications.) When necessary, other medication may be administered by school personnel and is given ONCE a day at lunchtime, unless otherwise directed by the child's physician. Short-term medications such as non-prescription drugs (aspirin, Tylenol, Midol, etc.) will only be given if medical certification of extenuating circumstances and doctor's orders are obtained. Please contact the school office with any questions.

Possible exceptions to this rule are:

1. Medication for behavior modification (e.g., Ritalin)
2. Insect sting allergy-must have a note from the physician with specific instructions.
3. Severe allergic reactions – must have specific written instructions from a physician.
4. Anticonvulsive medications (e.g., Dilantin, Phenobarbital)
5. Medication for asthmatic conditions
6. Medication given in extenuating circumstances.

Procedures for above exceptions (1-4):

- a) Medicine must be clearly labeled; unlabeled medicine **CANNOT** be dispensed.
- b) Medication **MUST** be brought to school by the parent or guardian in the container in which it was originally packaged. The label should have the name of the student, name of the medication and dosage.
- c) Medication should be accompanied by a signed form (may be obtained from the office) from the parent (with student's name, prescription number, name of medication, and specific dosage to be administered) that gives the designated person permission to administer the medication.

Parent Organizations

Gator Booster Club consists of parents and teachers who volunteer time to raise money for athletic programs i.e. equipment, uniforms, awards, etc. Parents interested in joining the Gator Booster Club may contact the office.

The PTA consists of parents and teachers who volunteer service to work on projects that will benefit students and school as a whole. Parents interested in joining the association may contact the office.

Parent Code of Conduct

Parental Involvement: False River Academy believes the term "parental involvement" means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, ensuring the following:

- Parents play an integral role in assisting their child's learning.
- Parents are encouraged to be actively involved in their child's education.
- Parents are full partners in their child's education and are included, as appropriate, in the decision making regarding the education of their child. False River Academy will inform parents of all pertinent information and involve parents in various activities throughout the school year. Every attempt will be made to communicate the need for parent conferences and discussions surrounding student success. Important news and information will be released through the school website, our official school social media pages, the One Call System.

Safety: False River Academy asks that parents adhere to the following guidelines in order to ensure the safety of all students, faculty, and to ensure the orderly operation of the facility.

- We ask all parents to first report to the high school office before proceeding to any other destination on campus. All parents and visitors to False River Academy's campus are required to sign in with the high school office and wear a visitor's pass.
- Parents are welcome to escort lower elementary students into the building before 7:43 a.m., but we respectfully ask that you not use this time to engage in conversation regarding issues/concerns about your child. Please request a conference by contacting your child's teacher or in the office. Any parents

remaining in the buildings at the signal of the first bell (7:43) must exit promptly. Pandemic restrictions may hinder parents entering the campus.

- If you know your child will check out during the school day, please email or send a note with your child that morning; this ensures your child leaves school with all assignments and ensures an orderly transition for your child and their teacher(s).
- We ask that when using the morning and afternoon carpool lane you remain single file. Please do not pull around other cars that are waiting to drop students off. This presents a serious safety hazard for drivers and students.
- Parents are not allowed to park, walk up, and take their child (ren) from the carpool line. All students must be loaded into vehicles by staff.

Ethical Conduct: False River Academy prides itself on a strong sense of community- we want to promote partnerships between all members of our school community and to interact and communicate positively with all stakeholders. Therefore, False River Academy asks parents to act in the best interests of students, families, and staff members at all times. The following are several guidelines we expect that our parents adhere to.

- Parents should not publicly engage in malicious or judgmental gossip and should ensure that anything they say about the school, its students, and its faculty is fair and truthful.
- Parents should not engage in any abusive or aggressive verbal or written correspondence with teachers/faculty, students, or other parents.
- Parents should not use social media to publicly challenge school policies or discuss issues about individual children and/or their teachers.
- Parents are strictly forbidden from creating social media pages under the name 'False River Academy.' Pages bearing the name 'False River Academy' that are unofficial school pages should be reported and removed from social media sites. (This includes, but not limited to, pages created on Facebook, Twitter, Weebly, Instagram, etc.) ***Parents are asked to have their underage students refrain from posting pictures of themselves and their friends with alcoholic beverages in their hand, smoking or vaping.
- When able, parents should follow the appropriate chain of command to address and resolve problems and concerns.

Visitors on Campus

Non-student visitors are allowed on campus if they receive a pass from the main office. Students may not visit with any non-approved visitor during the school day. **Visitors are to report to the high school office to sign in and receive a visitor's pass. The elementary building will be locked from 7:45 a.m. – 2:45 p.m. The junior/senior high building will be locked from 7:45 a.m. – 2:45 p.m. Gates will be locked during the school day. The main office only will receive visitors during the school day.**

A weighted GPA calculating Dual Enrollment and Honors classes will be used. Standard classes are 4 quality points. Dual Enrollment classes will be awarded an extra quality point. The average of standard classes and dual enrollment classes will be used to calculate the student's GPA. If a student scored high on ACT in a specific subject area and was exempt from taking a college course or dual enrollment courses offered at FRA, the student will be given a weighted A for each exempt class. To break a tie, all reported grades for high school credits would be considered. If still a tie, co-valedictorians will be named regardless of number.

Honor Graduates

Students who complete the 19 units of the Louisiana Regents' TOPS University Curriculum will be considered for Honor Graduate. Only those courses will be used to calculate the required 3.0 grade point average.

It is mandatory that all graduates pay senior dues, attend graduation practice, and have all school obligations cleared (dues, fees, tuition, sport uniforms, books, laptops, etc.)

Graduates must wear proper attire to the graduation ceremony.

Student Activities

Participation in various extra-curricular activities develops talent, maturity, and responsibility. All clubs and organizations are governed by a constitution and/or by-laws in addition to school guidelines. Rules concerning eligibility and maintenance of an overall academic grade average are predetermined.

Student Council (9th through 12th Grades)

Qualifications for Lettering

A letter in a sense is an award that should be shown off with pride throughout the community. A student athlete will only be rewarded letters for a varsity sport. At False River Academy, we will leave it up to the coaches’ discretions as to whether or not a student athlete letters in a sport. No athlete should receive a letterman jacket until their 9th grade year at the False River Academy Sports Banquet.

School uniforms are available at Young Fashions and Inka's School Uniforms (Baton Rouge), Keys and Co. (New Roads) and the FRA Dons Sportsman Online Store.

The first uniform infraction will result in a warning. The second uniform infraction may require the student's parent to pick them up from school or bring the student the appropriate apparel or shoes. Attendance

Regular attendance is essential to the learning process. A student is considered to be in attendance when he or she is physically present at a school, participating in an authorized school activity, and is under the supervision of authorized personnel. Students are under the jurisdiction of the school from the time the student arrives at school until he/she leaves the campus in the afternoon. Bus students are under the jurisdiction of the school from the time he/she boards the bus until the student exits the bus in the afternoon. Students are under the jurisdiction of the school while attending ANY school-sponsored activity either at school or away from school. This applies to all athletic teams, organizations and clubs. **Students must be in attendance at school at least four or more periods in order to participate in any school activity that day.** The sponsoring teacher/coach is responsible to ensure compliance with this rule.

Half-Day Attendance: A student is considered to be in attendance for one-half day when he or she is physically present at a school site or is participating in an authorized school activity and is under the supervision of authorized personnel for more than 25 % but not more than half (26 %-50 %) of the student's instructional day.

Whole-Day Attendance: A student is considered to be in attendance for a whole day when he or she is physically present at a school site or is participating in an authorized school activity and is under the supervision of authorized personnel for more than 50 % (51 %-100 %) of the student's instructional day. *Absences whether EXCUSED OR UNEXCUSED shall be counted as an absence for reporting purposes to the Louisiana Department of Education.*” (Bulletin 741)

In order to be eligible to receive grades, secondary students (grades 9-12) must be present a minimum of 80 days per semester. Elementary students (grades K-8) shall be in attendance a minimum of 160 days a school year. Exception to the attendance policy can be made only in the event of extended personal illness, verified by a physician's statement. Other extenuating circumstances include prior school system approved travel for education, death in the immediate family, natural catastrophe and/or other circumstances approved by the principal or his/her designee. Attendance recovery must be completed, if needed, to receive grades or to graduate.

JCALL will notify parents daily of students who are tardy, checked out early, or were absent from school by phone call or text.

Calendar

Each year, FRA will adopt a calendar for a minimum of 175 days. Seniors will finish school not more than 10 instructional days prior to the end of the regular school year.

Excused Absences

Upon returning to school, each student will be required to present a note from a parent or doctor stating the day or days the student was out and reasons for absences. **This note must be turned in on the day the student returns to school in order to have these days excused** and will be kept on file for documentation purposes. Only 5 parent excuses will be accepted for absences per semester.

A student is excused for the following reasons:

1. Personal, physical or emotional illness (including but not limited to hospital stay, recuperation from accident/illness/contagious disease)
2. Serious illness or death in the immediate family*
3. Observance of religious holiday of the child's own faith.

Check-Ins

Students who arrive to school after 7:45AM are considered “Late to School” and must report to the high school office and present parent/physician documentation to receive an excused admit slip.

For students in grades 7-12 with unexcused “Late to School”:

1st Late to School- verbal warning

4th Late to School- morning detention with parent notification

8th Late to School- Saturday or Afternoon School with parent notification

12th Late to School- Out of School suspension

Tardies during the school day will be combined with Late to School days to determine disciplinary procedures.

Students in grades K-6, after the third Late to School per nine weeks, will receive a phone conference with the principal regarding Late to School status. If your child is Late to School, a parent **MUST** accompany the child into school and sign him or her into school. If your child has been to a physician, the parent must present the excuse at that time.

Check-outs

Students should make every effort to schedule dental and medical appointments after school hours. If a student will be checking out, the parent/guardian **MUST** send a letter of notification or Early Dismissal Form to the homeroom teacher or office the morning of the scheduled check out. In order for students in grades PreK-10th to check out with someone other than a parent or guardian, the check-out person’s name must be on an approved check-out list in the office. The reason for early checkout will be evaluated by an administrator to determine if leaving early is excused or unexcused. Students must have a signed parent note or an email received by the high school office to check out early.

Student Assignments and Absences

Students who are absent with an **excused** parent or doctor's note may make up tests and/or assignments within three days. To be graded, work must be made up before a grading period ends. The student must be proactive about meeting with the teacher to schedule make-up tests and assignments. Long-term assignments (research papers, projects, writing journals, etc.) will only be accepted after the due date in extenuating circumstances and with prior permission from the teacher. If the absence is **unexcused** it is up to the teacher's discretion to allow a makeup but should still be within the three days of the absence. If the absence is due to a **suspension** from school, the student will have three days but cannot earn more than 75% credit.

Tardy Policy

The definition of a tardy is a student who arrives after the bell rings for a class to begin. For disciplinary purposes Late to School will be combined with tardy to class.

For students in grades 7-12:

1st tardy- verbal warning

4th tardy- morning detention with parent notification

8th tardy- Saturday School with parent notification

12th tardy- Out of School suspension

In the event of severe weather conditions, check local news forecasts for information. The One Call automatic phone system is used to notify parents of an impending cancellation. In the unusual circumstance where school must be canceled during the school day, school personnel will remain at school until all students leave campus.

An **Integrated Pest Management (IPM)** approach for controlling insects, rodents and weeds is used at False River Academy. Our IPM approach focuses on making the school building and grounds an unfavorable habitat for these pests by removing food and water sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning and maintenance. We routinely monitor the school building and grounds to detect any pests that are present. The pest monitoring team consists of our building maintenance, office, and teaching staff and includes our students. Pest sightings are reported to our IPM coordinator who evaluates the “pest problem” and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

We only use pesticides that are registered by appropriate regulatory agencies of state and federal government for the use intended. Applications will be made only when necessary to eliminate a pest problem; and only when unauthorized persons do not have access to the area(s) being treated. These areas will be secured against access as necessary for the period specified (REI) and taking into account all precautions found on the pesticide product label.

We will provide notice of specific pesticide use to any school staff, student or parent who requests this notification. You can request this notification by contacting the main office at False River Academy (225.638.3783) and providing your name, address and daytime phone number. You can make this request at any time during the school year. We will provide notice either in writing or by phone at least 48 hours prior to the application, if possible. Notice of pesticide applications made to control emergency pest problems will be provided as soon as possible after the application. The notice will include the following information: who will make the pesticide application, name of the pesticide to be used, EPA Registration number, and purpose for making the application, area to be treated, date and approximate time of the scheduled application.

The False River Academy Board of Directors recognizes that the exposure of school Children to pesticides and herbicides pose known and unknown risks to their well-being. For this reason, False River Academy has established controls on the application of pesticides and herbicides, consistent with statutory provisions, to help insure the health and safety of students.

FRA will present all parents, students and staff with the schools IPM plan during the opening orientation. On line access to the plan will be available throughout the school year.

FRA shall use, whenever possible, the least toxic method of pest and weed control. This method of pest and weed control may include methods other than application of pesticides or herbicides. A restricted use pesticide or herbicide shall be applied to a school building or school grounds only during periods in which students are not expected to be present for normal academic instruction or organized extracurricular activities for at least forty-eight (48) hours after the application. Non restricted pesticide or herbicide applications will only be performed when students and staff will not be present for a minimum of eight (8) hours or as directed by the product restricted entry interval (REI).

The school shall maintain a written record of pesticides and herbicides used to control pests or weeds. The record shall include an entry of all pertinent information on each application. The records shall be kept in school office and shall be available for inspection during school hours.
