Dual Enrollment Courses

Dual enrollment is the simultaneous enrollment of a student at both high school and college. FRA students are able to receive credit on both their high school and college transcripts for the same course. All courses are transferable to universities within the state. Students may enroll in college courses at local technical colleges, community, and/or four year colleges.

Dual Enrollment Eligibility

To take a dual enrollment class, a student must be on track for completing the Louisiana TOPS University Curriculum, and meet rigid academic standards based either on the ACT or the ACT Aspire assessments.

Students enrolled in a college course follow the college curriculum. The course is taught by either the college instructor or a high school instructor who is approved to teach the college course.

Students must complete all of the course work required for the college course in order to receive the credit. Dual Enrollment has strict prerequisites, noted within the course descriptions that must be met for enrollment.

Students enrolling in these classes will greatly benefit after graduation by having the advantage of enrolling in a Louisiana university with college credit already in their name.

Dual enrollment courses are offered from Southeastern Louisiana University and Louisiana State University A&M, which are taught by FRA teachers, as well as courses through Northwestern and Fran U.

For those students who want technical training in welding and electrical courses those are available to FRA students through BRCC.

Dual Enrollment Courses Offered at False River Academy

English

English Composition I (ENGL 101)/English Composition II (ENGL 102) Southeastern
Intro to Creative Writing DE (ENG 2120) Northwestern
College Writing I (WRIT-1310) Fran U/College Writing II (WRIT-1311) Fran U

Math

College Algebra Math 1021/College Trigonometry Math 1022 LSU
Math 0310 Introduction to Algebra Fran U
College Algebra MATH-1315 Fran U
College Algebra Northwestern
Intro to Accounting Northwestern
General Statistics (MATH-2315) Fran U

Social Studies

Western Civilization I DE 1013 Northwestern
Western Civilization II DE 1023 Northwestern
US HIST DE CHIS Northwestern
World GEO DE 1010 Northwestern
Sociology DE Northwestern

Science

General Chemistry I (Chem 101)/ General Chemistry II DE (Chem 102) Southeastern
General Biology I (Science Majors) (GBIO 151) Southeastern
General Biology II (Science Majors) (GBIO 153)Southeastern
Chemical Fundamentals (CHEM-1310) Fran U
Human A&P I Northwestern
Human Anatomy & Physiology I (BIOL-2310) Fran U/Human A & P I Lab BIOL-2310L Fran U
Human Anatomy & Physiology II (BIOL-2311) Fran U/Human A & P I Lab BIOL-2311L FranU

Gen Ed Electives

Criminal Justice Northwestern
Introduction to Finance Northwestern
Speech DE Northwestern
Intro to Psychology Northwestern
Medical Terminology Northwestern
Intro to Political Science Northwestern

Criteria to Enroll in Southeastern Dual Enrollment Courses

ALL students must have the following minimum criteria:

- Be in the 11th or 12th grade
- Have a high school cumulative GPA ≥ 2.5 (transcript must be provided)
- Have an ACT/Pre-ACT composite ≥ 19 , ASPIRE composite ≥ 430 or SAT/Pre-SAT composite ≥ 980
- Students must meet all prerequisites for dual enrollment courses and must have a 19 composite on the ACT and an 18 in English for English and science courses and a 19 in math to dual enroll in math
- Please note that if the ACT is taken in the 10th or higher grade, the ACT scores MUST be used for eligibility.
- All courses, whether taught as a single-semester or year-long course, will be charged a discounted course fee of \$225 per 3-credit hours. This discounted tuition is NOT refundable should a student withdraw from a course.
- Textbooks are supplied at no cost to the high schools for dual enrollment courses for which a rental textbook has been adopted. Damaged or unreturned books will be charged to the school at full retail price. The high school may elect to charge the student for the cost of the textbook.

Criteria to Enroll in LSU A&M Dual Enrollment Courses (\$300 per 3-hour dual enrollment course)

- Student must be currently enrolled in a public or private Louisiana high school.
- Student must be in good standing as defined by the high school.
- Student must meet the prerequisite requirements of a specific course to be enrolled in that specific course.
- Student must have permission from the high school and his/her parent/guardian to enroll.
- Student must be enrolled in the high school course which corresponds to the appropriate LSU course with a grade recorded on both the student's high school and LSU record.
- Student must meet the Louisiana Board of Regents Student Eligibility Requirements to enroll in academic courses.
- Must have a composite score of 19 or higher on the ACT or PLAN (if student has both scores, then only the ACT score will be used)
- Must have an ACT English subscore of 18 or higher
- Must have an ACT math subscore of 19 or higher
- Must have a GPA of 2.5 or higher on a 4.0 scale
