Register yourself or child for our COVID-19 testing program today.

Hello FRA parents/guardians and students,

Our False River Academy Testing Program begins Wednesday, October 13, 2021. In order for your child to participate in testing, you'll need to register them for the program. ***This is a voluntary program and requires parental consent.***

Click this link <https://home.color.com/covid/sign-up/start?partner=ldh-fal-876-students> to register your child for the program.

A parent or guardian must register any minor under 18 years old. You'll give a one-time consent and HIPAA authorization to share their results with the school and district. ***Testing is not required***, but highly encouraged to keep our school community safe.

We'll test **in the high school office on Wednesday, October 13, 2021 from 9:00 a.m. - 2:30 p.m.** Results will be delivered to you by text or email within 24 hours and we will follow-up with you directly if your child has a positive result.

If you have any questions or concerns, please reach out to 225-910-8308 or visit the website at www.k12testing.com.

Thank you for your participation to keep our FRA community safe and healthy.

Linda D'Amico,
False River Academy Principal
